Volume 7, Issue No 08: August 2022

40 Youth have started their Journey of Change:

This month, under the HCL Foundation supported project – “Career Counselling and Vocational Training Programme”, 40 youth successfully secured admissions in various vocational courses in different institutes. These courses range from Paramedical, Cosmetology, Diploma in IT, Graphic Design, AC Refrigeration, Laptop Repair etc. Their journey towards self reliance and better livelihoods has begun after several rounds of counselling of students and parents.

If you know of 12th and 10th pass students who hail from a lesser privileged background, who you believe can benefit from this programme please contact us at +91-9625151951 (Asiya).

Sponsored Students do BFA proud in CBSE 12th Board:

It was a moment of pride and celebration for all of us at BFA when all the four students sponsored by BFA passed Class 12 CBSE in 1st Division. A special mention for Radhika and Priyanka who secured 87% and 81% respectively in Commerce stream. We are also proud to share that they are the First Generation Learners of the family. Of the two other students who took the 12th CBSE board, Neeraj is hoping to gain admission to Engineering Course and Vasudev is training in Apparel Technology.

Skilling Youth for a Brighter Future:

With an aim to impart various soft skills to the young generation, last month, BFA organised six soft skills sessions in various schools and institutes of Noida. The topics covered in these sessions ranged from importance of good habits and discipline, mock interviews and resume making, verbal and non verbal communication, team management to conflict resolution. More than 250 students benefitted from these sessions.

Dawn of a New Partnership with Piramal Foundation:

Last month BFA entered into a six month partnership with Piramal Foundation as their lead partner in Better World Initiative 7.0. Under this programme, Piramal Foundation through Genpact will help re-engineer solutions for our Library Cum Creativity Centers and also provide training to our staff and librarians in transforming processes through training and coaching to achieve the desired results and impact.
