Vinod Luthra Gifts BFA a Library on his Birthday!:

It's rightly said that "Happiness Shared is Happiness Doubled". On 7th August on the occasion of his 80th birthday, Vinod Luthra gifted a Library to the 400 students of NEMP School in Gheja, Noida. It was a day of festivity and celebrations in the school to have received such a wonderful gift! The students celebrated the event with dance and skits as a thank you gesture towards Mr. Luthra's grand gift.

You too can double your happiness by sponsoring a library or education of a student. For more details visit <https://booksforall.in/>
