Velocis Library cum Creativity Centre is Buzzing with Activities:

Right since inauguration in Nov 2019 BFA is getting continuous support from Velocis Systems Pvt. Ltd. who graciously agreed to Sponsor the setting up cost & operations of Library cum Creativity Centre at Green Valley Modern School, Village Sultanpur, Sector 128 Noida. This Library caters to over 300 students from nearby villages. Velocis has also sponsored education of Anmol studying in class X CBSE in an English Medium School. BFA would like to extend our heartfelt gratitude to Velocis Systems Pvt. Ltd. for all their generous support.

The Results are Out and We can't be More Proud!:

BFA has sponsored education of Nine Students in English Medium School, NEMP at Gejha Village in Noida. During recent PTM attended by our Senior Member Lata Agrawal school management was all praise for our students who did exceptionally well in the midterm exams. Jainab of class IX topped her class securing 98% marks. BFA not only sponsors the education of needy students but also mentors them to ensure intervention at the right time in the areas they need help by providing special coaching.

Gift a Hanging Library, Gift a SMILE:

Join hands with us for our novel initiative of providing 100 Hanging Libraries across village schools in India. These schools are Primary/Middle low-income schools that cater to children from marginalised families. We aim to develop a habit of reading among such children and increase their vocabulary, knowledge and understanding of the world in which they live and instil good values as well.

All INR donations towards this cause are eligible for 80G tax benefits. If you wish to know more about Hanging Libraries [click here](#). To become a proud supporter for the cause of children and to donate for Hanging Libraries [click here](#). Requesting all to please contribute whatever you can and spread word among friends and well wishers to make this noble initiative a success!

If You Like our Work, Come be a Part of It!:

BFA is looking for interns and volunteers who are as enthusiastic as us. If you are a humanitarian at heart and have the skills that you want to put to good use for the betterment of the society, BFA is the place for you! The interns will get a stipend and will be expected to work in a hybrid mode. For more details contact Nupur at +91-8447688331.
