Volume 8, Issue No 04: April 2023

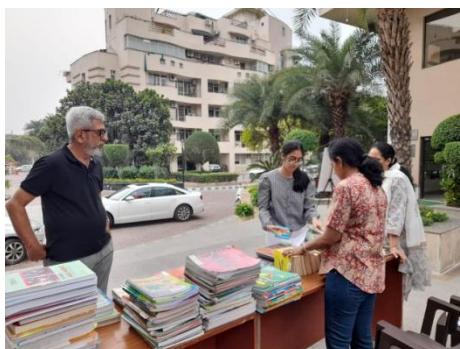

Spreading a Positive Message of Reuse & Recycle:

With an aim to collect old/used curriculum and reference books for our sponsored students and to encourage the children of the residents of Eldeco Utopia to re-use and re-cycle, BFA recently organised a Book Exchange/Donation Drive. This one of a kind initiative saw the participation of more than 60 families who all came together and exchanged/donated stationary items and curriculum and reference books under CBSE & ICSE board. The highlight of the initiative was that we were able to collect good and resourceful books which are not even available in the market now.

Children of house helps, drivers and laundry people also benefitted from this as the initiative was open for all. Completely worn-out books were sold for recycling and the money generated from there was used to buy new registers for our sponsored students. The book donation/exchange drive was applauded by all and soon we are planning to do a similar drive, on demand, for the students belonging to UP board as well.

Our Sponsored Students Excel in Final Exams:

This year 16 of our sponsored students from Classes 1 to 9 appeared for examinations and their outstanding performance left us in awe. Zainab with a score Of 93.7% was 2nd in her class. She will sit for class X CBSE Board this year & we have high expectations. Abhishek who was in Class 1 scored 86.36% . Scores of Deeksha, Reshmi, Nandini and Priya from Class 6 ranged from 70% to 84%. Nandini with 80.1% was first in her class. It was the efforts of Mentors who were hand holding these students throughout the year which made such a good performance possible.

Proud Parents and Students with their Progress Report

Seven Paramedical Students are now Interns at Prestigious Hospitals:

BFA feels immense joy to share that seven of our paramedical students who have completed their vocational training are now employed as interns at prestigious hospitals in and around Noida.

Jyoti, Ragini, Priyanka, Arun and Kajal who did Vocational Course of Diploma in Operation Theatre Technician (OTT) are now interns in Yatharth, Fortis and Universal Hospital and Shivani who did Diploma in Dialysis Technician and Bhawna who did Diploma in Medical Lab Technician are now doing internship in Kailash and Jaypee Hospital. We wish them all the very best for their bright future!

An Intern in Action

Sponsored Students, Dreams of a Brighter Future:

We at Books for All sponsor education of bright deserving children to change the course of their lives and also provide handholding and mentoring support to them. Like at the onset of each new academic year, this year too we have initiated the process of induction in class VI for deserving students.

Help us support more students by sponsoring education of a student and witness the change in their life. For more information contact us at booksforallinfo@gmail.com
