### **Exploring Global Village: Geography Quiz with a Twist!**

In our interconnected world, technology enables us to connect globally with a single click or touch, creating what is often referred to as the Global Village. Recognizing the significance of geography in this global landscape, BFA organized a Geography quiz on November 30 and December 1, 2023 at Sarvodaya Vidya Mandir (SVM) and Green Valley Model School (GVMS), respectively. Students were excited to learn geography not from text books but using atlases only! Teams competed fiercely for maximum points and participants were awarded certificates and prizes.

## BFA Success Story: Shivani Nuniya's Testimonial - From Housekeeping to Office Executive

"I once worked as a house help in different housing societies in Noida Sec-93 to assist my widowed mother in running our family. I witnessed her struggles to raise us, and my dreams of becoming an Office Executive seemed beyond reach. Then, BFA, especially Mr Pravin Bhasin, noticed my potential. His team in BFA counselled and motivated me, showing me a path to a better life. BFA sponsored my schooling and vocational training. Now, I am proudly serving as a front desk executive at C Mac Infratech. Thank you, BFA! I will forever be grateful to all of you for making my dreams a reality."
