BFA Eye Camps Bring Clear Vision to Government School Children

It all began with one question.

In private schools, many children wear spectacles. In government schools, almost none do. Does that mean their vision is fine—or that no one has ever checked their eyes? We met Pari, a young girl who cannot see from one eye. Her parents never knew. And what we feared turned out to be true: many children simply go unnoticed.

To change this reality, BFA, along with **ICare Eye Hospital & Post Graduate Institute and Yamaha Motors India Pvt. Ltd.**, conducted eye-screening camps in four Govt Schools of Noida in November 2025—Sultanpur , Rohillapur , Bhangel , and Gheja.

Across these camps, 715 students were screened, 21 received spectacles, 25 were referred for hospital care, and 62 were given essential eye drops. This free eye check-up camp was initiated under Project Sparsh.

Career Mela Guides 378 Students on Post-12th Options

Books For All organised Career Melas on 6th and 11th November 2025 at Bhawani Shankar Inter College and Noida Kanya Inter College (NKIC), with 378 students participating (189 at each).

Stalls managed by volunteers and partner Vocational Training institutes offered, clear information on skill-based courses, training duration, certifications, and job opportunities, allowing students to explore vocational career options.

Students whose contact details were collected, will be followed by post-exam counselling calls to link interested youth with suitable training programs. The Melas strengthened BFA's career guidance efforts across both colleges.

BFA Holds 2nd Convocation for Vocational Training Graduates

Under the leadership of Mr. Rajendra Gupta, Member, Managing Committee, Books For All's Saksham Project organised its 2nd Convocation On 20th November, we celebrated students who successfully completed their vocational training programmes.

Certificates were awarded by Ms. Tripti Gupta, Director, Salasar Techno Engineering Ltd. Representatives of the training institutes and Ms. Kavita Prasad from our NGO partner, Project Aarohan, were also present.

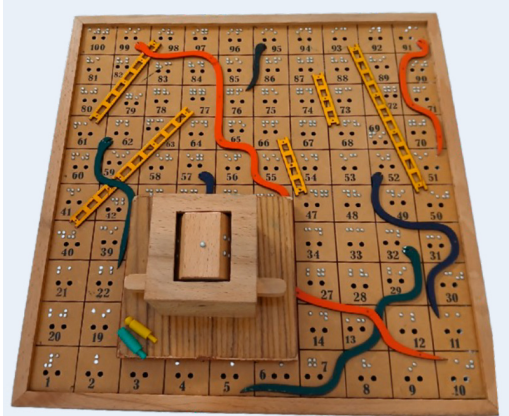

The event recognised the progress of the trainees, many of whom are already performing well in their respective fields. The convocation aimed to further strengthen their morale and encourage continued growth in skill-based careers.

Books For All Launches Braille Toy Initiative

Snakes and Ladders board with dice placed on top

Books For All launched the Braille Toy Initiative under Project Sparsh in November 2025, following direct feedback from visually impaired children and educators. After identifying suitable solutions through an extensive search, a specialised manufacturer in Dehradun was onboarded to supply tactile indoor games.

Each box distributed to needy institutions includes 2 sets each of Ludo, Chess, Snakes and Ladders, Tic Tac Toe, playing cards, and 4 UNO card sets, enabling inclusive play and learning. This initiative marks another milestone in Books For All's efforts to create practical, need-driven solutions for children with visual disabilities.
