Abb Ki Bar 400 Par: 412 WHLs Installed

From April 2024 to March 2025, a total of 412 Wall-Hung Libraries (WHLs) were installed across India, mostly in rural government schools benefitting 80000 students who now have access to beautifully illustrated storybooks—igniting their curiosity and imagination!

From 2021 when BFA started this initiative, 760 WHL have been sent to village schools across the country, to remote villages in the hills, in Ladakh and in the northeast.

These books are bringing the joy of reading through vibrant visuals and engaging narratives.

Thanks to word-of-mouth and growing demand, requests began pouring in—ultimately helping us reach 400 WHLs this year!

98% Scored: Sponsored Students Shine in Annual Exams

The academic year 2024-25 has once again been a year of pride and gratitude to our donors, volunteers and well-wishers!

Under our Impact Mission – Sarthak, academically bright students from socio-economically weaker sections are identified from government schools and enrolled in good schools for better educational opportunities.

We are thrilled to share that 90% of these students have scored above 80%, with several achieving over 90%! A special mention goes to Prakriti (left pic), who scored an outstanding 98%.

We are incredibly proud of her achievement and extend our heartfelt thanks to Prakriti's sponsor and all the dedicated mentors who made this possible.

A Win at the International Cricket Stadium!

On March 9, 2025, a group of students from Books For All (BFA) Libraries participated in the Adobe CSR event at Noida International Cricket Stadium.

Competing against the Adobe team and the Noida Deaf Society, our students played exceptionally well—and were ultimately **crowned champions of the event!**

For many, it was their first time visiting an international stadium—a moment of inspiration made possible through Adobe and BFA.

Our libraries are more than just reading spaces. They're proudly called "Library-cum-Creativity Centres"—places for holistic growth and confidence building.

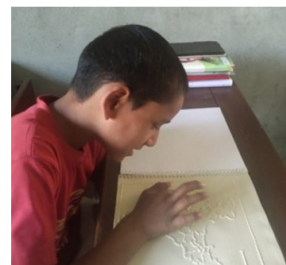

A Heartfelt Letter from Uttarkashi's Blind School

As part of our mission to reach remote areas, Books For All discovered Parmarth Vijay Public School Hostel for the Blind in Uttarkashi, Uttarakhand during a 2024 field study.

After an initial shipment of Braille books, we recently sent a set of Tactile Books, made possible by the Ulverscroft Grant.

The school expressed heartfelt thanks and was amazed to see Tactile Books for the first time—a powerful step toward experiential learning for visually impaired students.

"On behalf of the entire school of Parmarth Vijay Public School (Divyang Hostel), Tunalka Naugaon, I express my heartfelt thanks and gratitude to Books For All. The tactile study material provided by you for our visually - impaired children will not only help them acquire knowledge but will also inspire them towards

self-reliance. This invaluable support has brought new light to education, empowering them to realize their dreams." **School Chairman**
