We Don't Teach, We Educate

Volume 11, Issue No 10: October 2026

SAKSHAM STARS: SHAPING THE CAREER

Saksham Stars: When Dreams Meet Direction Many bright students in government schools have big dreams but lack a clear roadmap. To bridge this gap, Books for All launched Saksham Stars—a year-long monthly mentorship series led by senior volunteer Sudha Singhal, supporting 45 motivated students from Classes 10 to 12 at a Noida Hindi Medium Inter College.

Over the past three months, students have participated in an in-depth career path workshop with expert Mr. Pankaj Sharma, a practical session on using AI safely for studies, and a communication workshop led by volunteers Indrani and Nupur. Upcoming sessions will focus on self-defence, financial literacy, and mental health.

Saksham Stars is our unwavering promise to these young achievers: your dream is valid, and we will walk the path with you

GROWING TOGETHER: S&P GLOBAL VOLUNTEERS MAKE A MEANINGFUL IMPACT

On September 17, volunteers from S&P Global visited our office for a deeply enriching day of community engagement. Bringing immense energy and enthusiasm, the team participated in a vibrant tree plantation drive to foster a greener, more sustainable environment.

Demonstrating a strong commitment to education, the team also generously sponsored **10 Wall Hanging Libraries (WHL)**, strengthening our efforts to make books and learning resources more accessible to children.

The time, participation, and thoughtful support shared by the S&P Global volunteers reflect the profound difference meaningful corporate partnerships can make. Books for All sincerely thanks the entire S&P Global team for partnering with us to nurture learning, reading, and environmental awareness among our young achievers.

HOW A SINGLE SKILL REWROTE A FAMILY'S FUTURE

Abhishek Rewrote his Family's Future! When Abhishek's father—a security guard supporting a family of five on ₹15,000 a month—approached Books for All (BFA), financing a professional Motion Graphics course felt impossible.

Spotting his creative potential during **SAKSHAM** career counselling, BFA fully sponsored his training. Today, Abhishek's journey is a powerful testament to target skilling:

- **Career Growth:** Started at ₹16,000/month and scaled to ₹30,000/month.
- **Family Milestone:** Co-purchased land with his father and helped fund his siblings' weddings.

Abhishek represents hundreds of youths breaking generational poverty through market-aligned vocational training in IT, Design, and Tally under SAKSHAM. Thanks to our generous donors, high-cost training is now accessible to those who need it most. Join us in shaping more such life-changing success stories!

HINDI DIWAS CELEBRATION: BRINGING HINDI LITERATURE TO LIFE

Celebrating Hindi Diwas Through Role-Play

To celebrate Hindi Diwas, our library organized an engaging role-play activity designed to connect children with India's rich literary heritage.

Students participated enthusiastically, stepping into the shoes of legendary poets and writers such as Kabir, Rahim Das, Meera Bai, Mahadevi Verma, and Subhadra Kumari Chauhan. Through vivid performances, they brought the lives and timeless works of these literary figures to life.

Beyond textbooks, this immersive activity helped children build public speaking confidence, communication skills, and a genuine appreciation for the Hindi language. The confident performances made the celebration a resounding success, proving that learning history and literature can be both deeply meaningful and thoroughly enjoyable.
